Bryon: We head back from our client. Turns out there are some more things going on related to the diesel cases and Chris's comments, which are being used in court documents.

I'm hoping we can schedule a call to review. Juston and I are available all week to talk.

Meanwhile, I'm working on document for you your review which explains things in more detail.

Thanks,

Brad

Hi Theresa,

Can you please follow up with Brad to see if it would be possible to move our call to 10 AM (EDT), 1 PM (EDT), or 2 PM (EDT). I am now doublebooked at 11 with a DOJ meeting I need to keep.

Thanks,

Byron
